Liberalized Remittance Scheme and TCS on such remittances

Introduction -

Reserve Bank of India (RBI) has introduced the Liberalised Remittance Scheme (LRS) in 2004 to facilitate remittances out of India by resident individual and the LRS limits have been revised since then periodically.

From 1st October,2020, all remittances made under LRS are subject to Tax collected at Source (TCS) under the Income Tax Act. Therefore, it is necessary to understand LRS transactions and TCS applicability on LRS transactions. This article will discuss the transactions covered under LRS and applicability of tax collected at Source (TCS) under Income Tax Act.

What is Liberalised Remittance Scheme LRS?

Under the Liberalised Remittance Scheme, all resident individuals, including minors, are allowed to freely remit up to USD 2,50,000 per financial year (April – March) for any permissible current or capital account transaction or a combination of both. Further, resident individuals can avail of foreign exchange facility for the permitted purposes upto the limit of USD 2,50,000/-

In case of remitter being a minor, the LRS declaration form must be countersigned by the minor's natural guardian. The Scheme is not available to corporates, partnership firms, HUF, Trusts etc.

Individuals can remit or avail of foreign exchange facility for the following purposes within the LRS limit of USD 2,50,000 on financial year basis:

- Private visits to any country (except Nepal and Bhutan)
- · Gift or donation,
- · Going abroad for employment,
- · Emigration,
- · Maintenance of close relatives abroad,
- Travel for business, or attending a conference or specialized training or for meeting expenses for meeting medical expenses, or check-up abroad, or for accompanying as attendant to a patient going abroad for medical treatment/ check-up,
- · Expenses in connection with medical treatment abroad,
- · Studies abroad,
- · Acquisition of an immovable property outside India
- Any other permitted current and capital account transactions by Reserve Bank of India from time to time.

LRS facility is not available for following transactions:

Remittances for any purpose specifically prohibited under Schedule-I (like purchase of lottery tickets/sweep stakes, proscribed magazines, etc.) or any item restricted under Schedule II of Foreign Exchange Management (Current Account Transactions) Rules, 2000.

- Remittance from India for margins or margin calls to overseas exchanges / overseas counterparty.
- Remittances for purchase of FCCBs issued by Indian companies in the overseas secondary market.
- Remittance for trading in foreign exchange abroad.
- Capital account remittances, directly or indirectly, to countries identified by the Financial Action Task Force (FATF) as "non- cooperative countries and territories", from time to time. Remittances directly or indirectly to those individuals and entities identified as posing significant risk of committing acts of terrorism as advised separately by the Reserve Bank to the banks.
- Gifting by a resident to another resident, in foreign currency, for the credit of the latter's foreign currency account held abroad under LRS.

Release of foreign exchange exceeding USD 2,50,000 in a financial year requires prior permission of RBI. The Individual has to designate a branch of an AD through which all the remittances under the scheme will be made.

What is TCS in Foreign Remittance under LRS?

Tax Collection at Source (TCS) on foreign remittance refers to the tax collected by the Indian Government at the source, i.e., by the authorized dealer or bank, when an individual remits funds abroad from India. The TCS is applicable on certain specified transactions, including outbound remittances made under schemes like the Liberalised Remittance Scheme (LRS).

Under section 206C (IG) of the Income Tax Act, read with CBDT circular 10 of 2023. TCS will be applicable on LRS transactions at rates given in the table:

Nature of Payment	Remittance up to Rs,7 Lakhs	Remittance above Rs.7 lakhs
LRS for Education financed by way of loan from financial institution	No TCS	TCS @0.5%
LRS for Education not by way of of loan from financial institution	No TCS	TCS @0.5%
LRS for Medical Treatment	No TCS	TCS @0.5%
LRS for purchase of Overseas Tour Programme Package *	TCS @5%	TCS @20%
LRS for any other purposes	TCS @5%	TCS @20%

*As per the Liberalized Remittance Scheme (LRS) guidelines issued by the Reserve Bank of India (RBI), an "Overseas Tour Programme Package" refers to any pre-arranged combination of services related to travel abroad. This can include costs associated with travel, accommodation, sightseeing, and other ancillary services provided by travel agents or tour operators for individuals or groups traveling outside of India.

Whether TCS is applicable on remittances where TDS is done by the remitter on remittances to be done outside India?

TCS provision will not apply in case the remitter is liable to deduct tax at source under any other provision of the Act and the amount has been deducted.

Whether all remittances under LRS are subject to TCS?

Yes, TCS will be applicable as per the rates given above for all types of remittances under LRS made by individual resident.

Whether credit of TCS can be claimed by remitter against his income tax liability?

Remitter can claim credit of TCS against his income tax liability by filing his income tax return in India.

Compliance and Documentation to be followed:

- Submission of KYC documents and copy of PAN card of the resident remitting the amount as required by the authorized dealer banks.
- Filling and affixing signature in Form A2 (Declaration) with copy of PAN and other documents as requested by the authorized dealer banks.

Conclusion -

The Liberalized Remittance Scheme is a key feature of India's financial system, offering individuals the chance to invest and spend abroad within set limits. While managing Tax Collected at Source rates can be complex, staying updated with the rules is crucial. Overall, LRS makes global financial activities more accessible for Indians, contributing to the country's broader economic progress.
