# SICASA CHAIRPERSON'S ADDRESS

Dear Future CAs,

As we progress through February, it's inspiring to witness the dedication and zeal that each of you brings to your studies and professional journey. This month offers new opportunities to learn, grow, and move closer to your goal of becoming a Chartered Accountant.

Highlights from January:

In January, we initiated the Revision Classes for May 2025 CA Exams, focusing on high-weightage topics to help you prepare effectively. The sessions were well-received, and I encourage those who participated to continue utilizing these resources for your exam preparation.

Looking Forward:

February brings with it the chance to delve deeper into your studies and engage with peers and mentors. I urge you to actively participate in the upcoming seminars and workshops that SICASA has planned. These events are tailored to provide you with practical knowledge and insights that are invaluable in your CA journey.

## Words of Encouragement:

Remember, the journey to becoming a Chartered Accountant is not solely about mastering technical knowledge; it's also about developing resilience, ethical values, and a commitment to continuous learning. Embrace challenges as opportunities to grow, and never hesitate to reach out for support from your SICASA family.

Wishing you all the best as you continue your preparations and endeavors this month.

Warm regards,

**Julie G Varghese**
